The Doctor Can See You Now

Smartphone Show, London, UK - 17 OCTOBER, 2007: Tomi Ahonen, Mobile Marketing Guru & the worlds most published 3G author, comments on the Communities Dominate Blog following news of 3G Doctors Symbian Smartphone Show relaunch.

“This was one of those I knew I had to immediately blog about... after (delivering the penultimate keynote) presentation I met up with a few friends and one of them showed me a brochure of something called 3G Doctor. It does just what the name says. Your 3G Phone becomes your (medical) Doctor”.

About 3G Doctor Limited

3G Doctor is a registered Doctor led service that provides UK adults (aged 18+) with affordable, private round the clock 3G Video Call access to their medical information and the advice of highly trained General Medical Council registered Primary Care Doctors. These carers are waiting to answer queries, diagnose medical problems and recommend treatments. The service is an important development in the mobile pervasive future of healthcare and has been created to help meet the evolving need for remote access to the regulated advice of qualified and registered Doctors.
